Re: 091-19383-00104  
First Administrative Amendment to  
Part 70 T 091-7767-00104

Dear Mr. Salyer:

Vitamins, Inc. was issued a permit on November 17, 2000 for a stationary oil extraction process and milling of defatted wheat germ. A letter requesting a transfer of ownership was July 27, 2004. Pursuant to the provisions of 326 IAC 2-7-11(a)(4) the permit is hereby administratively amended as follows:

On June 30, 2004 a transfer of ownership of Vitamins, Inc. became effective. The corporation was purchased from the Louis E. Kovacs Trust by James F. Carozza, Laxman Singh, Ph.D. and Darin P. Salyer collectively. The source will continue to operate under the Vitamins, Inc. name. No operational changes are made to the source. The Responsible Official remains as Darin P. Salyer, Manager of Operations.

Due to a name change since the permit was issued, all references to the Office of Air Management (OAM) were changed to reflect the new name of the Office of Air Quality (OAQ).

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Gary Freeman, of my staff, at 317-233-5334 or 1-800-451-6027, press 0 and ask for extension 3-5334.
